## FANNIN COUNTY, TEXAS

July 15, 1993

JUL 19 1993

Mr. Bobby Myers, District Engineer  
Texas Department Of Transportation  
P.O. Box 250  
Paris, Texas 75461

Dear Mr. Myers:

The City of Bonham has been informed regarding the pending opening of "new" U.S. Highway 82 in Fannin County from State FM 121 east to the Fannin/Lamar County line. It is our understanding that when the newly designated portion of U.S. Highway 82 is opened to public traffic, portions of the highway presently designated as U.S. 82 will be redesignated as State Highway 56.

The Bonham City Commission is aware of the changing of numbers and designations associated with the new U.S. Highway 82. The City of Bonham has no objections to such changes and concurs with the highway designations for U.S. Highway 82 and State Highway 56 within the Bonham City limits.

Respectfully,

JIM STIFF  
City Manager
